Characterizing Textural Attributes of Rainbow Trout, Oncorhynchus Mykiss, Fillets as Affected by Age, Sterility, and Storage Regimen. (Paperback) - Common By (author) Aunchalee Aussanasuwannakul

Enjoy a wide range of dissertations and theses published from graduate schools and universities from around the world. Covering a wide range of academic topics, we are happy to increase overall global access to these works and make them available outside of traditional academic databases. These works are packaged and produced by BiblioLabs under license by ProQuest UMI. The description for these d...
