Kurzbeschreibung

Killing Floor is the first book in the internationally popular series about Jack Reacher, hero of the blockbuster movie starring Tom Cruise. It presents Reacher for the first time, as the tough ex-military cop of no fixed abode: a righter of wrongs, the perfect action hero.

Jack Reacher jumps off a bus and walks fourteen miles down a country road into Margrave, Georgia. An arbitrary decision he's about to regret.

Reacher is the only stranger in town on the day they have had their first homicide in thirty years. The cops arrest Reacher and the police chief turns eyewitness to place him at the scene. As nasty secrets leak out, and the body count mounts, one thing is for sure.

They picked the wrong guy to take the fall. Amazon.de

When Jack Reacher suddenly decides to ask a Greyhound bus driver to let him off near the town of Margrave, Georgia, he thinks it's because his brother once mentioned that the famed blues guitarist Blind Blake died there. But it doesn't take long for the footloose ex-military policeman to discover that there are plenty of strange--and very dangerous--things going on behind Margrave's manicured lawns and clean streets that demand his attention. This first thriller by a former television writer features some of the best-written scenes of action in recent memory, a crash course in currency and counterfeiting, and a hero who is just begging to be called on for an encore.
